

## **Kaimuki Compost Collective**

The list of acceptable and non-acceptable compostable materials follows the guidelines laid out by the [US Environmental Protection Agency \(EPA\)](#). The list of acceptable materials will be expanded once we upgrade our equipment and facilities.

### **Acceptable Waste:**

- Eggshells
- Fruit waste
- Vegetable waste
- Nut Shells
- Coffee Grounds & filters
- House plants
- Tea & tea bags
- Grains products (bread, tortillas, ect.)

### **We Do Not Accept:**

- Dairy products (butter, milk, sour cream, yogurt, ect.)
- Fats, grease, lards, or oils
- Pet waste (hair, feces, and litter)
- Coal or ash
- Meat and fish scraps
- Bones
